Dear Parent/Carer

We have received complaints that parents are parking on the zigzag lines at the back entrance to the academy. These are here for the sole purpose of the health and safety of our children and families and it is an offence to park on them.

Also some parents are parking on the builders' yard and causing obstructions. This property does not belong to the academy so any action taken by Staffordshire builders is entirely out of our hands.

We respectfully request that you park a little further away from the entrance (not on the builders' yard forecourt) so that you do not endanger any lives and avoid causing accidents or aggravation thus providing a safer place for the children to cross, away from parked cars.

We ask that you are patient and show consideration when parking near the academy.

**Please do not park on the zigzag lines as these are in place for the safety of your children and it is also an offence to do so.**

Thank you for your immediate cooperation in this matter.

Yours sincerely
