

LOST PROPERTY

Over the past few years our lost property piles have been growing and growing. The items range from an odd sock to almost brand new coats!

We have tried every way possible to try and sort this problem out, but at the end of each term we always end up with yet more piles of unclaimed items.

W/B 5th February we will be trialling out a new system:

- Any property found with a name on it will be handed back to the child (please try to name everything that comes into the academy)
- All other items will be stored until Wednesdays, where they will be displayed in reception.
- **ALL unclaimed items will then be recycled weekly**

We hope that this will alleviate our mountain of lost property!!!!
