

## Chair of Governors' message to parents

Dear Parent/Carer

We are delighted that you have chosen to send your child to Ocker Hill Academy. This is one of the most important decisions that you will make on behalf of your child.

Ocker Hill Junior School enjoyed an enviable reputation within the Local Authority for Academic achievement. Ocker Hill Academy will strive to build on the excellent work performed by the Junior School and will work in partnership with Parents/Carers.

The Governors, Principal and staff are dedicated to providing the children at this academy with a high quality of education delivered in a happy, caring environment.

We are a fully inclusive academy firmly embedded within the local community that combines a successful track record for academic success with developing the children's individual personalities.

The attached letter has been designed to answer some of the questions you may have and to provide you with certain essential information.

Should you have any queries or worries on any matter, please feel free to contact the Governors at any time, preferably in writing, through me, at the academy's address.

We look forward to meeting you at future occasions and hope that you will have a long and happy relationship with our academy.

On behalf of the Governors,

Mr H Kumar (Chair of Governors)
