How we will process your Primary application

Community/Controlled Schools

A Community/Controlled School is one where the Local Authority (LA) has responsibility for admissions into the school. A list of all Sandwell schools can be found on our website at www.schooladmissions.sandwell.gov.uk. We receive applications from parents on a daily basis and we receive information about pupil numbers on a weekly basis. To ensure that we consider applications for places fairly we will collect any applications received during a particular week and consider them against the pupil numbers which we receive at the end of that week. We will try to deal with an application for this type of school within **10-15** working days.

Sandwell Self Governing Schools/Academies (see list at page 2)

A self Governing school/academy is one where the Governing Body is responsible for admissions into the school/academy. A list of Sandwell self-governing schools/academies is included overleaf. If you have applied for a school/academy on the list then we will forward your application to the school/academy so that it can be considered by the Governing Body. Once the school/academy informs us of the governors' decision we will write to inform you of this. As it is not the LA that makes the decision an application for this type of school/academy can take around **15** school/academy days to process. As we must send your application to the school/academy for a decision we will not be able to process your request during a school/academy holiday.

Extra-district schools

If you have applied for a place at a school that is not located in Sandwell (with the exception of schools located within the Birmingham, Walsall & Wolverhampton), we will need to send your application to the LA that maintains the school for them to make a decision. Once we receive a decision we will write to inform you of this. Again, this type of application can take around **15** working days to process. However, this can take longer if your preferred school is Self Governing as the maintaining LA will need to pass your application on to the school for the Governors to consider. As a result, this could add an extra **10** working days to the time it takes to process your application. If any of your preferred schools are located within the Birmingham, Walsall and/or Wolverhampton area's then, unfortunately we will not be able to process these and you will need to apply directly to your preferred school.

Fair Access

All LA's are required to have a "Fair Access" Protocol in place. This ensures that vulnerable, excluded or "Hard to Place" pupils are placed fairly and equitably across the schools in the LA. If your child meets the Fair Access criteria then your

application might need to be considered by one of Our Fair Access Panels and so could take longer to process than normal.
