Dear Parent/Carer,

## Latest Coronavirus Advice

As of today we will be strictly following the latest advice from the Government regarding coronavirus. If a child in the academy develops a **new** constant cough **or** a high temperature (over 37.8) we will contact you and ask you to collect them immediately. Your child will be required to remain in isolation for 7 full days.

If your child develops the above symptoms whilst at home please let us know as soon as possible and again, keep them in isolation for 7 full days.

With this in mind please ensure that we have your most up-to-date contact details. This also applies to anyone else on your contact list that we hold.

If you present with symptoms personally, please make arrangements for someone else to bring and/or collect your child and ensure you follow the self-isolation advice.

We appreciate that these measures may cause some inconvenience but, at this stage, we do need to follow the strict advice from the Government to protect our whole academy community.

If your child is unfortunate enough to be a confirmed case of coronavirus (by a test) please inform us immediately.

Finally, other than keeping us informed if your child is absent, please try not to phone the academy unless it is absolutely necessary as it is advisable for us to keep our phone lines as clear as possible.

Thank you all for your support in this matter.

Yours sincerely

Mr AG Hollyhead
