Dear Parents/Carers,

I hope that you and your families are well. We are looking forward to welcoming our Year 6 pupils back to the academy in addition to the children of key workers on Monday 1<sup>st</sup> June.

We understand that it will have been a difficult decision for many of you. Please be reassured that if you have chosen to keep your child at home, you have the right to change your mind at any time. We do kindly ask that if you do have a change of heart, and wish for your child to return to school, that you notify the academy office of your intentions. We will then offer the place to your child from the Monday after your phone call has been made. This decision has been made to ensure adequate staffing ratios for each group of children.

Regarding pupil placements, we also kindly request that parents who are key workers continue to notify the academy of the attendance of their children in advance of requested dates. This is vitally important to the academy as restrictions on class sizes mean that if thirteen or more pupils attend from this group, an additional classroom will need to be used. Due to the impact this creates on staffing, it is crucial that the academy is notified of attendance in advance. Additional requests for places, with no prior notification, may be declined.

Everyone at Ocker Hill is looking forward to seeing you all again soon.

Kind Regards,

Mr A.G.Hollyhead
