Dear Parent/Carer,

I just wanted to say what a pleasure it has been to welcome the children back today.

We are in the process of establishing many routines which are designed to keep the children, and adults, in and around the academy, safe. As such, we need your help.

Adhering to our staggered start and finishing times will be incredibly helpful. In addition, I kindly ask that all parents adhere to social distancing both on the academy site, and when entering via both entrances. In particular, it is very important that crowds of people do not form at either set of gates.

Our office remains open, but could we please ask for only one 'family bubble' at a time please.

We really appreciate your support with this matter.

Yours sincerely,

ff
