# Remote Learning during the Coronavirus (COVID-19) Pandemic

In line with the recent government announcement, Ocker Hill Academy will be closed throughout the duration of the present national lockdown, which is currently expected to last until mid-February, to all but vulnerable pupils and the children of critical workers. The academy has implemented provision for remote learning to ensure pupils never miss out on education during this troubling time. We will ensure that our curriculum is inclusive and accessible to all and will endeavour to support all of our pupils and staff as they learn and work from home. This policy annex outlines additional measures that will be implemented for delivering remote learning during the pandemic.

- 2.2 The Academy will work closely with the local health protection team (HPT) and the DfE when the 'Contingency framework' applies and implement the provisions set within the Coronavirus (COVID-19): Contingency Plan.
- 2.3 The Academy will communicate its contingency plans to parents, including to which pupils it will remain open under the DfE's contingency framework and which pupils will receive remote education.
- 2.4 The Academy will ensure that remote learning training is regularly refreshed for teachers, and that appropriate trouble-shooting support is available when needed, so the transition from in-person to remote teaching can be as seamless as possible if required.
- 2.5 If the contingency framework is not applied, but a 'bubble' needs to self-isolate, the Academy will immediately implement remote learning for that group as required.

## **3. Teaching and learning**

- 3.1 The Academy will ensure staff and pupils follow the Academy's E Safety Policy when working and learning remotely.
- 3.2 The Academy will ensure that remote education is available for pupils immediately, i.e. the next academy day after they are sent home to self-isolate or after the contingency framework is applied.
- 3.3 All pupils will have access to high-quality education when learning remotely.
- 3.4 The Academy will prioritise factors that have been found to increase the effectiveness of remote education. These include, but are not limited to:
  - Ensuring pupils receive clear explanations.
  - Supporting growth in confidence with new material through scaffolded practice.
  - Application of new knowledge or skills.
  - Enabling pupils to receive feedback on how to progress.

- 3.5 In line with DfE's 'Restricting attendance during the national lockdown: Schools, Ocker Hill Academy will:
- Teach a planned and well-sequenced curriculum so that knowledge and skills are built incrementally, with a good level of clarity about what is intended to be taught and practised in each subject so that pupils can progress through the academy's curriculum.
  - Use one digital platform for remote education provision that will be used consistently across the Academy in order to allow interaction, assessment and feedback.
  - Work to overcome barriers to digital access for by:
    - Distributing academy-owned laptops accompanied by a user agreement or contract.

  - Check whether pupils are engaging with their work daily, and work with families to identify effective solutions where engagement is a concern.
  - Ensure that there is a senior leader with overarching responsibility for the quality and delivery of remote education, including that provision meets expectation for remote education
  - Publish information for pupils, parents and carers about remote education provision on their website by 25 January 2021.
- 3.6 Teachers will ensure that a portion of their lessons are designed to promote interactivity amongst pupils and between pupils and staff, e.g. live lessons or use of the 'chat' function on meeting software, to lessen feelings of isolation and to promote pupil progress and motivation.
- 3.7 Teachers will ensure lessons are inclusive for all pupils and can be adapted to account for the needs of disadvantaged pupils and pupils with SEND.
- 3.8 When teaching pupils who are working remotely, teachers will:
- Set assignments so that pupils have meaningful and ambitious work each day in an appropriate range of subjects.
  - Set work that is of equivalent length to the core teaching pupils would receive in the Academy and, as a minimum, four hours a day.
  - Provide frequent, clear explanations of new content through high-quality curriculum resources, including through educational videos.
  - Provide opportunities for interactivity, including questioning, eliciting and reflective discussion.
  - Provide scaffolded practice and opportunities to apply new knowledge.
  - Enable pupils to receive timely and frequent feedback on how to progress using digitally facilitated or whole-class feedback, where appropriate.

- Use assessment to ensure teaching is responsive to pupils' needs and addresses any critical gaps in pupils' knowledge.
  - Avoid an over-reliance on long-term projects or internet research activities.
  - Adjust the pace or difficulty of what is being taught in response to questions or assessments, including, where necessary, revising material or simplifying explanations to ensure pupils' understanding.
- 3.9 All provisions for remote learning will be subject to the class group's age, ability and/or any SEND.
- 3.10 In exceptional circumstances, the Academy may reduce its curriculum offering to enable pupils to cope with the workload – the Assistant Principal – Teaching and Learning will assess this need, keeping pupils' best interests in mind, and will not take the decision lightly.
- 3.11 Teachers will continue to make use of formative assessments throughout the academic year.
- 3.12 The Academy recognises that certain subjects are more difficult to teach remotely, e.g. music, sciences and physical education. Teachers will provide effective substitutes for in-person teaching such as video demonstrations.
- 3.13 Pupils will be encouraged to take regular physical exercise to maintain fitness, and time will be allocated within the academy week for pupils to focus on this.

#### **4. Access to technology**

- 4.1 The Academy will remain cognisant of families who do not have access to the resources required for remote education, and will ensure that an up-to-date record of which pupils do not have appropriate devices or internet access is maintained.
- 4.2 The Academy will utilise the support available through the DfE's 'Get help with technology during coronavirus (COVID-19)' scheme.
- 4.3 Under the scheme, the Academy can order laptops, tablets and 4G wireless routers to support the following groups of pupils if they do not have access to a digital device or the internet through other means:
- Pupils in Years 3 to 6
  - Clinically extremely vulnerable pupils across all year groups who are shielding or self-isolating in line with government advice
  - Pupils in all year groups who are unable to access remote education whilst attending academy on a hospital site
- 4.4 Before distributing devices, the Academy will ensure:
