

20th March 2025

Dear Parent/Carer,

IMPORTANT PAYMENT INFORMATION

I can now confirm that bookings and payments can now be made via the weduc app – the new payment option is up and running – a big thank you to those parents who have used it already 😊

Access is in the same way as before via payments in weduc.

All Parents – From Monday 24th March ALL bookings and payments must be made online – I understand there may be a few teething issues, but we will work through these together.

Y5 Parents – If you have made payments for Ingestre I will be adding these onto the app over the next few days

Y5 Parents – Next week I will set up the Egyptian Payment, if you have already paid in cash, I will send the money back with your child

Thank you again for your patience and understanding during the swap over period

Yours sincerely,

Mrs Smith
